Weekly Letter Focus: N n Go on a letter hunt! Find 5 things in your home that begin with the letter N. Draw and label them.	Help sort the laundry! Can you sort out which clothes belong to which person? Can you find matching pairs of socks?	Go for a walk with your family. Look for signs of spring in your neighbourhood.	People are hanging hearts to show love for one another while we are staying home. Create some hearts to decorate the windows or doors of your house.
Practice printing the letter N n. Use the practice sheet, a piece of paper, print with a stick in the dirt or any other way your parent says is okay.	Use lego or blocks or other toys to make patterns. 	What can you say thank you for? Tell someone at least two things that you are grateful for.	Play a game of "Simon Says" with your family. Or you could change it and use your name instead of Simon.
Draw something you are thankful for. Sound out the word and print the letters that you hear. Send your teacher a photo of your picture.	Do you remember when we sorted our teddy bears? Can you sort your toys or stuffies into different groups?	Read "Staying Safe from the Virus" with your family. Talk about how you can help each other stay healthy.	Decorate eggs. You could decorate real eggs or make paper eggs and decorate them with crayons or markers or other things you have.
Read your ABC book to one of your stuffies. Teach your stuffy the actions and letter sounds.	Can you make patterns outside using nature? Look for pinecones, stones, flowers, leaves, etc. and make some patterns.	Phone or FaceTime someone that you care about who does not live in your house. Tell them how special they are to fill their bucket!	Build a blanket fort. What can you use to hold the blankets up? How could you make a cozy spot to hang out inside of the fort?
