

## Music for Early Learners (K-3) at Tansor Elementary School:

Our school uses the curriculum from Denise Gagne at [musicplay.com](http://musicplay.com). All the children have seen this music program that I use in class when teaching music. It is possible for me to set up some songs and ideas that students could use from week to week to provide a guide to learning! In music, Mr. Lassche.

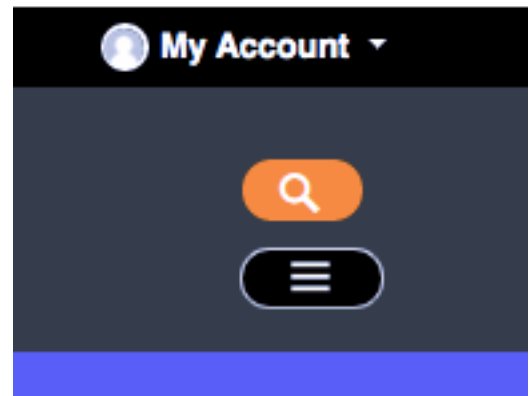

1. Go to [www.musicplay.com](http://www.musicplay.com)

2. Go to the student login.

3. Click on My account.
