

Fine Arts Education: Kindergarten Lesson - Week of April 27 - May 1

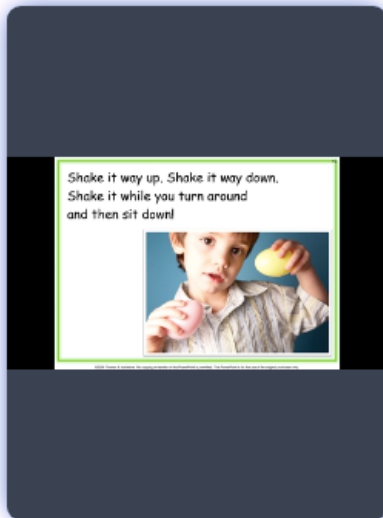

Go to website: <https://musicplayonline.com>

Click "Online learning"

Click "Select Grade" and choose "Kindergarten"

Choose: Kindergarten Lesson 4

Click on "Jump to". Up should come Teaching Procedure.

1. Click on the song #129, Colour the Eggs. The song asks the children to find something that they can shake or tap along with the beat. Find something in the kitchen that you can use to keep a beat. If you want to make a shaker, you can ask mom to give you a tablespoon of rice that you can put in a little plastic food-saver!
2. Go to #2, The Old Mr. Rabbit video. Watch the video. What a great song to learn.
3. Go to #3. This is a story of Old Mr. Rabbit. When the singer sings, sing along with them!
4. Skip to #6. Five Green Men. This is a really fun finger play song. Look at how to do the actions then try it out with the video.
5. **Garden follow-up:** Have someone take a picture of you in your garden, OR you holding a plant, OR you giving a tree a hug OR your own idea with something from nature outside! Have fun! Be sure to send your picture to Mr. Lassche
