Happy week of music. Miss you all, Mr. Lassche

## Kindergarten and K/1 Lesson

There is a lesson description, concepts and objectives are listed. There is a lesson guide that you can download, add to, then give to students.

Link to the Lesson (Click on below ...):

<https://musicplayonline.com/modules/kindergarten-lesson-9-m-3/>

Once you get to the site, click on JUMP TO. Choose the **Teaching Procedure** and the videos are all there for you to enjoy! These pictures do not link you to the site, they just show you what you will see when you get there.

Part 1: Warm up your singing voice with “Bobo”

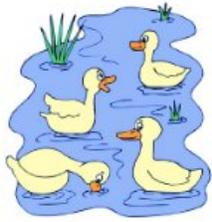

Part 2:  
Spring Rhythms. Students echo the words:  
birds, ducks, fish, flowers.

Video not working? Try our [alternate video player!](#)

birds

ducks

Part 3. Make up your own rhythms. The lesson asks you to print out the 4 pictures. If you have no access to a printer, just make a quick drawing of birds, ducks, fish, flowers.

Have your child draw the word on each picture:

birds ducks fish flowers

Part 4: Listen to the Water. Use the cards to indicate what part of the song you are listening to!

Part 5: Draw a picture. Leave this until the end.

Part 6: Listen to the video "Aquarium". Play it loud. While you are listening, move with a scarf, a ribbon or a piece of cloth. **Skip Part 7 and Part 8.**

**To SEND me:**

Your picture from Part 5. Can you make a picture that has water in it? Could it be rain, could it be an ocean picture, could it be a sea creature? Create a picture with markers, crayons and pencils/ pencil crayons. Give it a title like

In the Rain or Under The Sea.

Send your picture to [tlassche@sd79.bc.ca](mailto:tlassche@sd79.bc.ca)

Have a great week with music. Mr. Lassche
