

Hello All!

I hope everyone had a great weekend and got to enjoy some of the sun today. We are coming up on the end of the year and I know that some of you have already started thinking about next year. If you have specific concerns about your learners placement for next year please email me.

Note for students who are attending Tuesday and Wednesday, if you want to work on Spelling City at school please bring headphones so you can listen to the iPad.

Note of students who are working from home. The writing assignments are an important part of the report card for this year. Please make sure to send me a picture or drop the completed page off for me at the school.
